

TECH600PRO

by Walker Products

Walker Products Tech600 Pro is the fastest TPMS tool in North America. With the ability to relearn in just seconds, the Tech600 Pro is designed to elevate your tire business's efficiency and profitability.

Benefits:

- Clone and Program Heavy Duty TPMS
- Multi-programming of more than one sensor at a time
- Completely wireless (no OBD cables required)
- The most accurate coverage, including manufacturer, make, model, month, and year
- Live updates via WiFi
- Intuitive, icon based menu
- Long range Bluetooth connectivity
- Available in 20+ languages
