Supplying quality products since 1946

As an industry leader, Walker Products Inc. has evolved into a premier supplier of fuel delivery components, emission control products, engine sensors, ignition wire sets, and coil-on-plug boots. Being in the forefront of new technologies, state-of-the-art engineering, automated manufacturing processes, along with great customer service has made Walker Products Inc. the right choice as your supplier of automotive products. All of our products live up to OE specifications and your demanding standards. We are proud of our history and commitment to the automotive aftermarket.

At Walker Products, our customer commitments are...
MORE Coverage, FEWER SKUs, and HIGHER Profits
