

European Lambda Sensor Program Highlights

The Walker Products Lambda Sensor Program has the most comprehensive OE style program in the industry. Our sensors feature 100% OE Fit, Form, and Function for European, Japanese/Korean built vehicles.

Database Coverage:

- Through the 2018 model year Walker has increased our application coverage by over 14% in TecDoc "K" type data for the European market.

OEM Number Coverage:

- In 2018, the Walker Lambda Sensor Program OEM coverage increased by 18%. Walker now covers more than 2900 OEM numbers.

Data Completeness and Quality:

- Walker Products has consistently earned the rating of "A" Certified Data Supplier from TecDoc Information System, GmbH since we began listing data with TecDoc in 2006

Award Winning Catalogues:

- Walker Products is a past recipient of the 2012 NCMA "President's Award for Electronic Data Excellence and Paper Catalogues."

Award Winning Packaging:

- Walker Products is the recipient of the AAPEX "Excellence in Packaging" Award.
