

Camshaft-Crankshaft Position Sensors

- Over 1,000 SKUs available
- 99% vehicle applications covered
- Coverage includes vehicles through current model year
- Endurance tested
- Corrosion resistant
- OEM Fit, Form and Function
- Offered as a Full Service Kit® (FSK®) for popular applications

All of Walker's Camshaft & Crankshaft Position Sensors undergo rigorous testing to ensure they meet or exceed the performance of the OE sensor.

YOUR FIRST CHOICE IN QUALITY PRODUCTS

Supplying quality products since 1946

As an industry leader, Walker Products has evolved into a premier supplier of fuel delivery components, emission control products, engine sensors, ignition wire sets, and coil-on-plug boots. Being in the forefront of new technologies, state-of-the-art engineering, automated manufacturing processes, along with great customer service has made Walker Products the right choice as your supplier of automotive products. All of our products live up to OE specifications and your demanding standards. We are proud of our history and commitment to the automotive aftermarket.

OE Fit, Form & Function QUALITY • COVERAGE • SUPPORT

Servicing the industry for over 70 years to reduce your inventory and increase coverage and profits.
