YOUR FIRST CHOICE IN QUALITY PRODUCTS

Supplying quality products since 1946.

As an industry leader, Walker Products Inc. has evolved into a premier supplier of fuel delivery components, emission control products, engine sensors, ignition wire sets, and coil-on-plug boots. Being in the forefront of new technologies, state-of-the-art engineering, automated manufacturing processes, along with great customer service has made Walker Products Inc. the right choice as your supplier of automotive products. All of our products live up to OE specifications and your demanding standards. We are proud of our history and commitment to the automotive aftermarket.

It's very simple... OE Fit, Form & Function
MORE Coverage, FEWER SKU's, HIGHER Profits

Servicing the industry for over 70 years to reduce your inventory and increase coverage and profits.
