

Mini Stripper Crimper

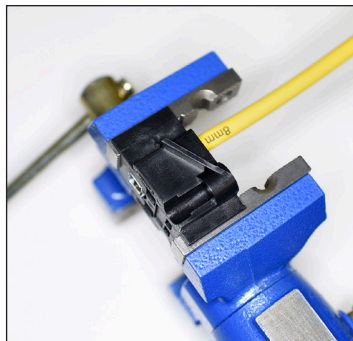

- The Mini Stripper Crimper features a more precise cut, strip and crimp than other stripper crimpers, eliminating potential damage to the conductor
- Available in two sizes, 7-8mm and 8.5-9.5mm, covering a wider range of wire sizes than any other tool of its kind
- Sold as a set that includes both sizes for added value, or available individually, 924-5001, 924-5002 & 924-5003
- Tools will be included in all Walker Products' Universal Fit Wire Sets for customer installation convenience

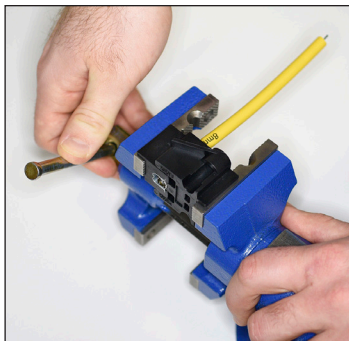

***Competitive pricing & versatility
make this tool a
must-have for your workbench!***
