MARINE HIGHLIGHTS

The Walker Products Marine program features expanded coverage for inboard/sterndrive and outboard applications to include:

- **Inboard/Sterndrive Carburetor Tune-Up Kits:**... 262 Applications, 74 Part numbers, *650 OEM Part Numbers Covered*

- **Inboard/Sterndrive Carburetor Accessories:**... 210 Applications, 58 Part numbers,
  - o Floats .... 208 Applications, 23 Part numbers
  - o Choke Pull-Offs...45 Applications, 6 Part numbers
  - o Choke Thermostats...25 Applications, 6 Part numbers

- **Outboard Carburetor Tune-Up Kits:**................... 254 Applications, 22 Part numbers, *1604 OEM Part Numbers Covered*

- **Personal Water Craft Carburetor Tune-Up Kits:** ....12 Applications, 2 Part numbers, *6 OEM Part Numbers Covered*

- **Fuel Pump Repair Kits:** .... 52 Applications, 20 Part numbers, *25 OEM Part Numbers Covered*

- **Fuel Injection Components:**.................................... 166 Applications, 20 Part numbers, *32 OEM Part Numbers Covered*
  - o Fuel Injection Seal/Repair Kits..................................... 142 Applications, 8 Part numbers
  - o Fuel Pressure Regulators ....49 Applications, 7 Part numbers
  - o Fuel Rail Pressure Regulators ....59 Applications, 1 Part numbers
  - o Multi-Port Fuel Injectors..12 Applications, 2 Part numbers
  - o Throttle-Body Fuel Injectors..29 Applications, 2 Part numbers

- **Engine Sensors & Actuators:** .... 148 Applications, 23 Part numbers, *43 OEM Part Numbers Covered*
  - o ACT Sensors .... 142 Applications, 2 Part numbers
  - o CKP Sensors ....5 Applications, 3 Part numbers
  - o ECT Sensors...5 Applications, 2 Part numbers
  - o IAC Sensors..63 Applications, 5 Part numbers
  - o Knock Sensors ....58 Applications, 2 Part numbers
  - o MAP Sensors ....80 Applications, 5 Part numbers
  - o TPS Sensors .... 106 Applications, 4 Part numbers

- **Oxygen Sensors:**.. 110 Applications, 9 Part numbers *13 OEM Part Numbers Covered*
